NOTE FOR: Deputy Executive Secretary
FROM: EA/DDCI

Ken,

In the future, I think it would be helpful to provide at least an informational copy certainly to the Executive Director if not the DDCI of requests such as the attached which conceivably crosses Directorate lines and could considerably tap Agency resources.

Thank,

MEMORANDUM FOR: Deputy Director for Administration
FROM: Executive Assistant to the DDCI

Regarding the attached request from Interior, rather than trying to provide papers or briefings tailored to specific travelers/countries, the DDCI would like the DDA to draft an unclassified "Advisory to Overseas Travelers" that would cover the concerns raised. This should be similar to a basic defensive security briefing alerting travelers to problems relating to narcotics, terrorism, selecting "evening companions," etc. DDA can draw on DDI/DDO for input as appropriate. DDA should also prepare an appropriate forwarding memo from the DDCI explaining the rationale for handling the request this way, etc.

Thank
